Member Wilson reported on the success of the DeBary Art League's Plein Air program.

Member Smith-Williams gave a report of her recent visit to the Peoples Republic of China particularly as it related to the advancement of the arts there.

Member Smith-Williams inquired if it would be feasible for Staff or the VCCA to provide a list of the various cultural organizations' "showcase events" so that Council members can better plan ahead to attend and help promote these events. M. Fincher suggested that this might be something

that could be gleaned from the organizations' Community Cultural Grant applications or maybe through a survey conducted by the VCCA. Mr. Fincher to explore this and report back at a future meeting.
